

# MONTHLY MAGNET

December 2025 Edition

## ENRICHMENT PROGRAMS

- Animation- 3rd, 4th, and 5th Grade
- Bellaire Buzz- 5th Grade
- Basketball- 3<sup>rd</sup> and 4<sup>th</sup> Grade
- Canva- 4<sup>th</sup> and 5<sup>th</sup> Grade
- ENL Chorus
- ENL Social Studies- Grades
- Lego STEAM- Kindergarten and 1<sup>st</sup> Grades
- Mind Body Fusion- 2<sup>nd</sup> Grade
- Photojournalism- 3rd Grade
- Saturday ELA and Math Academy- 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup>
- Saturday STEAM- Kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> Grades
- Saturday Soccer
- Soccer- 2<sup>nd</sup> Grade
- Student Government- 5th Grade

## IN THIS ISSUE

- ENRICHMENT PROGRAMS
- BALLOONS OVER BELLAIRE PARADE
- WHAT'S NEW THIS MONTH
- IMPORTANT DATES

## **Balloons Over Bellaire Parade: A Celebration of Creativity and Community**

On November 25th, our school community came together for an unforgettable event, the Balloons Over Bellaire Parade! This vibrant celebration marked the culmination of our students' Civics for All project-based learning unit, and it was nothing short of spectacular.

Throughout the unit, students explored important civic themes such as community, collaboration, and the values that unite us. Each class applied their learning by designing and building custom floats that creatively expressed these ideas. From colorful displays to imaginative designs, the floats showcased not only artistic talent but also a deep understanding of what it means to be an active, engaged citizen.

As the parade made its way through the school grounds, students marched with pride, sharing their hard work with families, friends, and staff. The energy was contagious. Smiles, cheers, and applause filled the air as our community celebrated together. It was a true testament to the power of teamwork, creativity, and civic spirit.

We are so proud of our students for their dedication and innovation, and grateful to everyone who joined us to make this event such a success. The Balloons Over Bellaire Parade was more than a showcase—it was a joyful reminder of what we can accomplish when we learn, create, and celebrate as a community.

## What's New This Month

### ***Creativity Meets Science: Students Showcase Their Animal Defenses PBL!***

This month, our students embarked on an exciting journey into the wild world of animal survival! Through research and creativity, they explored how animals protect themselves from predators in their natural environments. From camouflage to clever adaptations, students uncovered fascinating strategies that help creatures thrive in the face of danger.

To bring their discoveries to life, students used a variety of art materials to design dioramas depicting predator-prey interactions in realistic habitats. Each diorama tells a unique story of survival, blending scientific understanding with artistic expression.

The project will culminate in a special parent presentation on December 22, where families will have the opportunity to view these incredible creations and hear students share insights about their research. It promises to be an inspiring celebration of learning, creativity, and collaboration!

Mark your calendars—we can't wait to see you there!

---

### **Important dates this month**

- **Book Fair** : Friday, 12/5/25-12/12/25
- **Winter Break**: Wednesday 12/24/25-1/2/26

**Be sure to check our website/calendar for updates and additional events!**
