May 2026 Edition

## Celebrating the 135th Day of School at P.S. 135

P.S. 135 proudly celebrated the 135th day of school with a fun filled scavenger hunt that brought out incredible school spirit across all grade levels!

Our youngest learners in Kindergarten through Grade 2 searched for Brainy the Bulldog during a classroom scavenger hunt, eagerly looking high and low for hidden surprises and enjoying the excitement right in their classrooms.

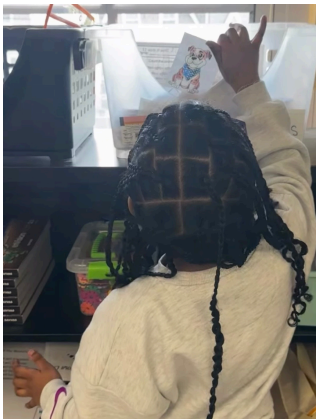

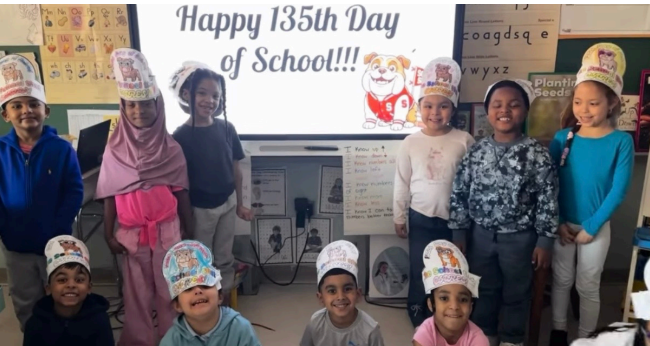

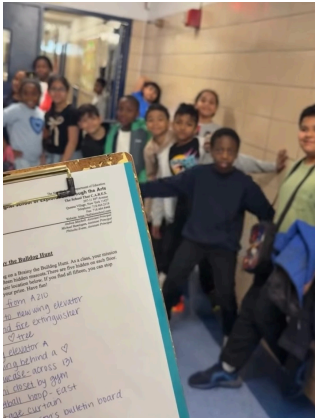

Students in Grades 3–5 took part in a school-wide “Brainy the Bulldog Scavenger Hunt,” exploring the building to find 15 hidden Brainy the Bulldog. With teamwork, perseverance, and lots of enthusiasm, students worked together to locate each one. Classes that successfully found all 15 Brainy the Bulldogs earned a special prize, adding to the excitement of the day.

This celebration was a wonderful way to highlight the 135th day of school while building a strong sense of community and school spirit.

A special thank you to our administration team and teachers for helping make this day such a success!

## IN THIS ISSUE

- 135<sup>TH</sup> DAY OF SCHOOL
- PRE-K – 1<sup>ST</sup> GRADE CARNIVAL
- STEAM NIGHT AHEAD

## A Day of Fun at the P.S. 135 Carnival

Our youngest learners in Pre-K through Grade 1 had an unforgettable time at a lively school carnival filled with excitement, laughter, and joy!

This special event, brought to our school by Ms. Bayard, transformed the day into a true carnival experience. Students enjoyed a variety of engaging activities, including a train ride that traveled around the school, a bouncy house, and music that kept the energy high throughout the day.

Classic carnival games such as skee-ball, and basketball free throw added to the fun, giving students plenty of opportunities to play, explore, and celebrate with their peers.

To top it all off, students were treated to delicious carnival favorites like popcorn and cotton candy, making the experience even more memorable.

A heartfelt thank you to Ms. Bayard for bringing this exciting event to life and creating such a joyful experience for our P.S. 135 students!

## P.S. 135 STEAM Night: Learning Together

On April 21st, P.S. 135 hosted an exciting STEAM Night Ahead that brought hands-on learning to life for both students and their families!

Our faculty and staff stationed a variety of interactive stations that encouraged creativity, exploration, and collaboration. From art activities and spinning experiments, to making slime cups and participating in stacking competitions, there was something for everyone to enjoy.

This engaging evening was not just for students, families joined in the fun, working side by side and experiencing the joy of learning together. The energy throughout the evening reflected strong school spirit and a shared excitement for discovery.
